BECOME FAMILIAR WITH YOUR INSURANCE BENEFITS

Please contact your insurance company to inquire what your benefits may be. Your insurance company without notice may change benefits. For example, upon renewal of many contracts, there are new deductibles, or the amount of an existing deductible has increased. Also, co-insurance and co-payment amount may change at the start of a new benefit year. Please note that it is your responsibility to notify us of any changes in benefits and/or coverage. It is your responsibility to know your insurance benefits. Please contact your insurance company with benefit questions and all financial responsibilities prior to your procedure and office visit. Also, your insurance may require separate patient responsibility for office consults and procedures. Please be advised final patient out of pocket cost is determined by your insurance. In the event that your payment exceeds the final insurance determined amount, you will receive a refund for the over payment.

By following these steps, you will be aware of any cost that may be responsibility after your insurance pays.
